SUBJECT: IRAN -- IMPLEMENTING THE TRAVEL BAN

REF: STATE 33674

Classified By: Pol/C Joseph Legend Novak, reasons 1.4 (b+d).

¶1. (C) SUMMARY: Pol/C reviewed reftel points with GOI contacts, underlining the need for all countries to take required steps regarding the travel of designated Iranian proliferators as authorized by UN Security Council Resolutions. GOI contacts--noting that they are enforcing all appropriate procedures--said they would get back to us regarding the specific domestic procedures in place meant to ensure compliance. END SUMMARY.

¶2. (C) On April 2, Pol/C reviewed reftel points with contacts in the Department of Foreign Affairs (DEPLU) and the Coordinating Ministry for Political, Legal and Social Affairs. Noting that this is just a gentle reminder to Indonesia, Pol/C emphasized that all countries need to take steps regarding the travel of designated Iranian proliferators as authorized by UN Security Council Resolutions 1803, 1747, and 1737. Pol/C carefully reviewed the specific travel-related provisions contained in each resolution. Pol/C reviewed the USG's implementation efforts, highlighting our commitment to implementing a de facto travel ban on all designated individuals. Over all, we urged countries to exercise extreme vigilance on this matter due to the serious proliferation concerns involved.

¶3. (C) Pol/C also requested details about Indonesian compliance, including the nature of domestic procedures that were in place. The U.S. was more than willing to provide assistance if the Indonesian government had any questions regarding the travel-related provisions of 1803, 1747, and ¶1737.

¶4. (C) DEPLU contact, Trini Gunarti of the Americas Desk, told Pol/C that Indonesia took its international responsibilities very seriously, especially as a member of the UN Security Council, and the GOI was enforcing all appropriate procedures. She said she would get back to us regarding the specific domestic procedures in place to ensure compliance.
